Granito Tank

The Granito is the most advanced water storage tank in India and represents the pinnacle of water storage innovation. It is meticulously crafted with six-layers, each serving a unique purpose and offering a distinctive feature, using rotational moulding technology. Beyond its exceptional functionality, the Granito's sleek and modern design with a contemporary granite finish enhances the aesthetic appeal of its surroundings. Available in granite finish colours of Ruby, Emerald and Pearl, Granito seamlessly complements your home's exterior while employing cutting-edge 6-layer technology for unparalleled water purity and safety.

Superior Rotational Moulded Threaded Lid

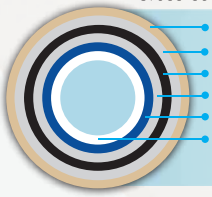

Hexa Foam 6 Layers with UV Protection

Salient Features:

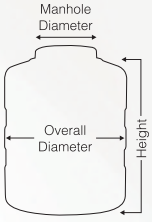

- **Advanced Anti-Microbial Layer:** The inner layer of the tank is equipped with an anti-microbial layer infused with Microban technology, ensuring water purity and safety, while safeguarding against microbial contamination.
- **Temperature-Resistant Foam Layer:** Twin foam layers maintain water temperature stability, delivering consistent performance even in extreme environmental conditions.
- **UV-Protective Sun-Shield Layer:** Provides robust protection against harmful UV rays, preserving water quality and integrity.
- **Extra Strength & Protective Layer:** Crafted with high-quality titanium loading, the layer enhances both tank strength ensuring durability.
- **Elegant Granite-Finish:** The striking outermost layer boasts a luxurious granite finish, elevating the aesthetic appeal of your surroundings with additional UV stabilisation.
- **Roto-Moulded Threaded Lid:** Features a heavy-duty roto-moulded threaded lid for enhanced durability and secure sealing, ensuring long-lasting performance.
- **Wide Size Range:** Available in sizes ranging from 550 to 5000 litres, catering to diverse household or commercial requirements.
