Horizontal Tank

BLOW MOULD

The Ganga 10-Layer Horizontal Tank is a robust, low-height water storage solution designed specifically for areas with height restrictions. Its advanced 10-layer construction ensures superior strength, enhanced protection, and safe, contamination-free water storage. The food-grade inner layer maintains water purity, while the weather-resistant layer safeguards the tank against harsh climatic conditions.The horizontal design provides excellent stability, easy installation and is ideal for terraces, sheds, mobile units, and industrial setups. Its low height makes inner-surface cleaning significantly easier, ensuring better hygiene and convenient maintenance. Built using high-quality, UV-stabilised materials, the tank delivers long-lasting performance with minimal upkeep.

15 YEARS GUARANTEE

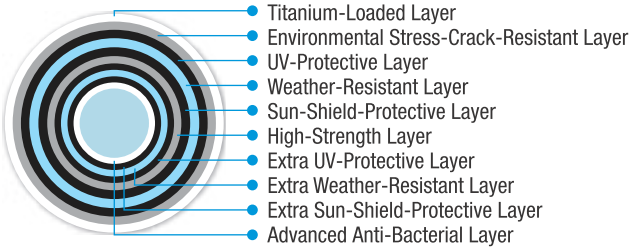

10 LAYERS

Salient Features:

- **Layered Protection:** Every layer is crafted with specific technology, adding strength, resistance, and protection. Each one enhances durability, making the tank last longer and perform better.
- **Optimal Temperature Control:** With advanced weather resistant layers, the Horizontal Tank maintains a stable internal temperature, even in extreme weather, keeping your water refreshingly cool.
- **Advanced Anti-Bacterial Layer:** Guarantees water purity and safety with an inner anti-bacterial layer, effectively preventing bacterial contamination.
- **UV-Resistance:** Equipped with UV-resistant technology, the tank protects against harmful sun exposure, ensuring it won't fade, crack or weaken over time.
- **Enhanced Durability:** Resists impact, temperature fluctuations and corrosion.
- **Easy Cleaning:** Because of its low height, the tank can be cleaned comfortably without special effort—ensuring better hygiene and water safety.
- **Space Saving Design:** The horizontal tank fits easily in tight spaces like balconies, lofts, and low-height areas—giving maximum water storage without occupying extra space.
- **NSF/ANSI/CAN 61:** Certified by IAPMO under NSF/ANSI/CAN 61 standards, providing additional quality assurance and peace of mind.
